"Superb...Striking... Will Leave Champagne Lovers Weak at the Knees."

**2007 Louis Roederer Cristal
\$495 magnum (1.5L)**

"Long-time Chef de Caves Jean-Baptiste Lécaillon has produced yet another in a string of superb Champagnes with the 2007 Cristal. Rich, powerful and enveloping, the 2007 takes hold of all the senses and never lets up. The aromatics alone are captivating, but then the wine opens on the palate, revealing layer after layer of flavor to match a multi-dimensional, kaleidoscopic personality that will leave Champagne lovers weak at the knees... The 2007 is striking today, but it should also age effortlessly for several decades. It is also without question one of the very finest new releases of the year."
