A Message from Dave Sokolin

Welcome to our 83rd Holiday Catalog!

A lot has changed over the last 83 years that we've been in business. Starting back in the 1960s, my father, William, was one of a small handful of sources for fine and rare wine, and therefore, we had some interaction with countless serious wine buyers and collectors in the United States at one point. Today, there are a variety of sources to buy fine wine from, yet we find ourselves growing at a rapid pace akin with many startup companies, and I understand why.

We offer the highest quality wines at the most competitive prices on the market, and the level of white glove service that we provide is simply unmatched. When you shop with Sokolin, you are assigned a dedicated private wine consultant who can assist you with everything from single bottle purchases to full in-home collections. They can even help you select the perfect wines to serve at your private parties and events. Convenience is a big part of life, and our private wine consultants make it easy for our customers to navigate the world of fine wine ensuring a flawless order and delivery experience. The same ideals that Sokolin was built upon over 80 years ago remain the foundation of the company today: integrity, high quality and exceptional service.

This holiday catalog is packed with the world's greatest wines and amazing, everyday values. Whether you're searching for back-vintage Bordeaux, red Burgundy, Champagne legends, new releases, big bottles or value wines, we have something for every wine lover. We make gift-giving easier than ever with our incredible collection of curated gift sets (pages 34 – 39). You're sure to look like a wine pro with any of these selections! Our team is happy to assist you with single bottle gift orders as well as large corporate gift orders.

So shop, gift, be merry and also visit sokolin.com to find the world's largest selection of rare wine - far too big to fit in this catalog.

Thank you for continuing to choose Sokolin for all of your wine needs. Our family and entire staff send our best wishes for a happy, healthy and prosperous holiday and new year.

\$55,000 case**

1 bottle of 1999 DRC Romanée Conti
3 bottles of 1999 DRC La Tache
2 bottles of 1999 DRC Richebourg
2 bottles of 1999 DRC St Vivant
2 bottles of 1999 DRC Grands Echezeaux
2 bottles of 1999 DRC Echezeaux

We are proud to offer one of the most rare, sought-after, collectible cases of wine on earth. The 1999 DRC Assortment Case includes some of the greatest red Burgundies produced from this historic vintage. Going through each review of the six different wines in this case, it was astounding to read the extremely tough critic, Allen Meadows, gush over each wine, basically stating they're the best of breed.

This case has been professionally stored with us for years and is pristine. The wines will continue to drink for decades, and some for up to 50 more years.

There are few words to describe these wines. Here's what the critics say...

"...1999s are prodigious. They are as glorious as red Burgundy can be, and represent tremendous triumphs for the Domaine de la Romanée-Conti." - Robert Parker

"Words remain inadequate to describe just how good this wine is." - Allen Meadows, Burghound.com on '99 La Tache

"When God invented grapes I doubt He imagined such a wine could be possible." - Neil Martin on the 100-Point, 1999 DRC La Tache
