Terms and Conditions

All orders placed with Sokolin LLC ("Sokolin") are conditional upon acceptance of the following terms and conditions. These terms may not be modified unless specifically authorized by Sokolin in writing. These terms apply to all current and future transactions.

Age

You must be at least 21 years old to purchase wine from Sokolin. The laws of all 50 states prohibit the sale of wine or any other alcohol beverages to consumers younger than 21 years of age. As a responsible vendor, Sokolin abides by the law, and will not intentionally sell alcohol to any minor. Sokolin will verify the age of every customer using sophisticated technology for age verification. By ordering wine from Sokolin, you authorize Sokolin to verify your age through such verification technology, and you are representing to us that you and the person who accepts delivery are both at least 21 years of age.

Orders

All orders are subject to confirmation by Sokolin. Order processing time is contingent upon payment authorization and does not include weekends or holidays.

Acceptance

By submitting your order for confirmation, you hereby represent to Sokolin that you understand these terms and conditions and agree to abide by them in connection with this transaction. The placing and accepting of an order shall form a contract on these terms, conditional upon confirmation of the order by Sokolin, which may be evidenced by the delivery of an invoice.

Price

Unless stated otherwise, prices are as follows: Per case or per bottle as indicated in our catalog, at www.sokolin.com, or in a private client offer. Exclusive of state, local, federal tax, and any import tariffs and duties as required at the time of delivery. Exclusive of shipping and handling charges. Exclusive of a 1% miscellaneous charge as described below. Prices are subject to confirmation and acceptance of order by Sokolin. Sokolin will not be responsible for typographical errors contained within promotional materials including but not limited to: www.sokolin.com; catalogs; private client offers; e-mail.

Miscellaneous Charge Explanation - The Company agrees to indemnify you for the replacement of any items lost, stolen or damaged in the process of being shipped to you. The fee supports our indemnification obligation to you for the replacement and any associated expenses such as additional shipping and handling.

Payment

Payment is due upon order confirmation. Payment may be made by cash, credit card, check, or wire transfer. When paying by check please allow five business days for processing. Sokolin will not transfer title to any goods until full payment is received.

By providing your credit card number, you authorize Sokolin to charge your credit card for the costs associated with your wine purchase as described in these Terms and Conditions (for example, for purchase price, tax, redelivery, other fees/charges).

The Sokolin charge will appear on your statement immediately following placement of your order. By authorizing Sokolin to charge your credit card, you acknowledge and agree to be financially responsible for any and all charges incurred in connection with your transaction. You hereby warrant and represent that you have the authority to legally bind the cardholder as set forth herein.

Shipping

All sales of wine to consumers made by Sokolin are F.O.B. New York. Title to the purchased wine will transfer from Sokolin to the consumer once the purchase price has been properly credited from the consumer's credit card, or paid by other appropriate means. In the course of placing an order, you affirmatively choose whether you will (i) pick up your purchased wine from Sokolin's New York location, or (ii) arrange for your wine to be shipped to you via common carrier. Should you opt to have your purchased wine shipped to you via common carrier, you independently may arrange for shipping, in which case you must provide Sokolin with the relevant details so that we release your wine to the appropriate shipping agent; alternatively, you may authorize Sokolin to act on your behalf to engage a common carrier to deliver your wine to you. Sales tax will be applied based on the location of the seller and title transfer. When your order is delivered, the person to whom the delivery is made may need to show identification to the shipper to verify identity and age. Note that wines prices do not include the costs of shipping and delivery charges.

Sokolin reserves the right to delay the release of shipments to ensure product quality. If you the purchaser authorize Sokolin to act as you agent for delivery purposes, and the resulting attempt at delivery fails due to an incorrect address or the purchaser's failure to be home for signature on the pre-arranged date, Sokolin will re-charge you the purchaser for freight costs. Sokolin is not responsible for delays in delivery resulting from weather or carrier delay, regardless of shipping method chosen; shipping charges will not be refunded or credited for delivery delays resulting from weather or carrier delay.

Purchaser's Representations

By proceeding with this transaction, you the purchaser represent that you are acting in a fashion compliant with your local and state law regarding the purchase, transportation, and delivery of wine. You the purchaser acknowledge that the laws governing the sale and transportation of alcohol beverages vary from state to state. Sokolin makes no representation as to the legal rights of any individual or entity to ship or transport wines into any state outside of New York.

As expressly noted above, you the purchaser are solely responsible for taking possession of all wines that you purchase from Sokolin.

You the purchaser, affirmatively warrant you are solely responsible for the transport of the purchased products and for determining the legality and the tax/duty consequences of bringing the products to your chosen destination. All taxes, duties, and/or tariffs imposed at the time of delivery to the United States or other countries are the sole responsibility of the purchaser and must be remitted prior to the release of the purchased product. Purchaser will be solely responsible for all duties, taxes and tariffs imposed prior to delivery, even if such where not imposed at the time of sale, or came into effect after the time of sale.

As also referenced above, you the purchaser expressly acknowledge and represent that: (i) you are twenty-one (21) years of age or older, and (ii) that if you the purchaser opt to have your wine shipped to you via common carrier, that your designated recipient of your wine also is 21 years of age or older.
